### Savoury–Sweet–Ready to eat–Nuts and Fruits–Beverage–Healthy

We are careful about the needs of consumers concerning food intolerances, increasingly widespread.

Our offer provides own brand items as well as products marketed exclusively on the country:

- handy for on-the-go consumption and easy to manage
- nutritionally balanced
- safe in terms of quality and preservation
- eye-catching in packaging and communication
- affordable for a fair value for money

Dispensa Zaniboni is operating through a sales organization of agents and distributors all over and to all channels.

The headquarters is Parma, where the distribution of the products to all European countries takes place.
